About the Expo

The Print and Packaging sector in India is one of the fastest-growing segments of the Indian economy, driven by rapid urbanization, rising incomes, evolving lifestyles, and expanding retail and e-commerce sectors. With growing demand from industries such as FMCG, pharmaceuticals, food and beverages, textiles, and electronics, the sector has undergone a significant transformation—shifting from traditional practices to smart, sustainable, and innovative packaging and printing solutions.

Print & Packaging Expo is a premier B2B platform bringing together key stakeholders from the printing, packaging, and allied industries. The expo showcases cutting-edge technology, sustainable materials, and intelligent packaging solutions driving India's fast-evolving industrial landscape.

This unique platform will facilitate networking, knowledge sharing, and business opportunities in the Indian Print and Packaging Industry ultimately benefiting all participants.

The Print and Packaging Expo aims to stimulate investment, fostering a platform for local and national investors and experts to share knowledge, exchange business ideas, and ultimately drive business growth. By bringing together industry stakeholders, the expo aims to promote trade, improve competitiveness, and increase the overall value of the sector.
